Old Business

Listserv – Send any requests for list additions/deletions through Ricky Boggs.

New Business

GHO Shirts / Logo – thanked

Taylor King and all who submitted (over 20), Michael asked if anyone was interested in receiving a polo

show of hands (about 18)
Look for information through newsletter and listserv – will try to get ordered by SEAHO so folks can wear there

Constitutional revision for profit sharing for GHO host institutions 75%, exec board is all in support, goal is to allow smaller schools to feel encouraged to bid since it is harder for them to recoup start up and general costs (copying, etc.) allow host institution to keep 25% of conference profit
Valdosta motioned
KSU seconded

Discussion – How much are the profits generally? Last few conferences have broken even or had little profit, Never seen more than \$1000, maybe \$500-1000 profit
Wouldn't it be easier to give all the money to GHO (logistically)? Host institution welcome to give it all back
